

Heat shrink torch kit

for installation of heat shrinkable products

Heat shrink torch kit specifically for assembling heat shrink products, includes various shrink torches and components (see scope of delivery).

Product description

Article name	CPB Heat shrink burner (with elbow)
Article number	146783
Notes	Warning: Liquid gas is heavier than air. Strictly adhere to safety instructions provided with heat shrink torch kit.
	Individual components may also be ordered separately.
	The date of manufacture is printed on each propane hose. However, there are no legal regulations for the shelf life.
	All refillable gas cylinders have a manufacturing date in the base of the gas cylinder. A recurring type test is mandatory after 10 years.

Characteristics
User-friendly rotating tube connector
Gas supply shuts off automatically if burner head is not installed
Minimal risk of overheating
Flame extinguishes immediately upon releasing push button
Continuously adjustable flame
Bayonet fitting facilitates substitution of burner head
Quick-starting piezo ignition

Applications
Suitable for heat shrinkable tubes
Shrinking of heat shrinkable polyolefine products (caps, sleeves etc.)

Technical data

Article name	CPB Heat shrink burner (with elbow)
Article number	146783

Logistics data

Article name	CPB Heat shrink burner (with elbow)
Article number	146783
Delivery scope	Heat shrink burner (with elbow)
Country of origin	Estonia
Customs tariff number	84161090
EAN/GTIN	4010311016900

Packaging data

Packaging type	Case
Content quantity	1
Unit of measure	Piece
Lenght (mm)	325
Width (mm)	130
Height (mm)	47
Net weight (kg)	0.251
Gross weight (kg)	0.251
