

Heat shrink torch kit

for installation of heat shrinkable products

Heat shrink torch kit specifically for assembling heat shrink products, includes various shrink torches and components (see scope of delivery).

Product description

Article name	CPB Small gas bottle, refillable
Article number	146785
Notes	Warning: Liquid gas is heavier than air. Strictly adhere to safety instructions provided with heat shrink torch kit. Individual components may also be ordered separately. The date of manufacture is printed on each propane hose. However, there are no legal regulations for the shelf life. All refillable gas cylinders have a manufacturing date in the base of the gas cylinder. A recurring type test is mandatory after 10 years.

Characteristics
User-friendly rotating tube connector
Gas supply shuts off automatically if burner head is not installed
Minimal risk of overheating
Flame extinguishes immediately upon releasing push button
Continuously adjustable flame
Bayonet fitting facilitates substitution of burner head
Quick-starting piezo ignition

Applications
Suitable for heat shrinkable tubes
Shrinking of heat shrinkable polyolefine products (caps, sleeves etc.)

Technical data

Article name	CPB Small gas bottle, refillable
Article number	146785
Content	400 ml

Logistics data

Article name	CPB Small gas bottle, refillable
Article number	146785
Delivery scope	Small gas bottle, refillable
Country of origin	India
Customs tariff number	73110011
EAN/GTIN	4010311017808

Packaging data

Packaging type	Bag1
Content quantity	1
Unit of measure	Piece
Length (mm)	186
Width (mm)	186
Height (mm)	307
Net weight (kg)	1.315
Gross weight (kg)	1.315
