

## Shield continuity wire

for telecommunication cables

Shield continuity wires are used to make earth connections in line network construction.

### Product description

|                |         |
|----------------|---------|
| Article name   | SVL 350 |
| Article number | 143319  |

#### Characteristics

High flexibility

#### Applications

Connecting and branching of aluminium-clad cable sheath  
For two or more telecommunication cables

## Technical data

|                          |                     |
|--------------------------|---------------------|
| Article name             | SVL 350             |
| Article number           | 143319              |
| Cross section transition | 2.5 mm <sup>2</sup> |
| Length L                 | 350 mm              |

## Logistics data

|                       |                        |
|-----------------------|------------------------|
| Article name          | SVL 350                |
| Article number        | 143319                 |
| Delivery scope        | Shield continuity wire |
| Country of origin     | Germany                |
| Customs tariff number | 85444210               |
| EAN/GTIN              | 4010311029375          |

## Packaging data

| Alternative unit of measure | Bag1  | Bundle |
|-----------------------------|-------|--------|
| Base quantity               | 1     | 100    |
| Base unit of measure        | Piece | Piece  |
| Length (mm)                 | 350   | 400    |
| Width (mm)                  | 3     | 3      |
| Height (mm)                 | 3     | 3      |
| Net weight (kg)             | 0.019 | 1.9    |
| Gross weight (kg)           | 0.019 | 1.905  |
